

Attention Keego Harbor Residents!!

As you know, Keego Harbor Parks & Recs works tirelessly to put on many exciting events for residents. Just think of our Memorial Day Parade, Christmas Tree Lighting, Garden Party, Halloween parade, Taste of Keego, etc. In addition to our fun events, Parks & Recs manages the care of our 14 (Yes! I said 14!) parks. We cannot continue to do all of this without YOU!

Life is busy, yes we know! We're in the process of creating a volunteer email list which will be used to announce upcoming volunteer needs. Please sign up for our Volunteer email list. We will reach out to you regarding upcoming events and/or projects - YOU decide when you can help us!
