3. **Roosevelt Halloween Parade:** Due to the cancellation of the Roosevelt Elementary Halloween Parade event, Kirsten Sonnevile-Douglass asked for an increase of 300.00 to the already in place 300.00 budget for the parade. In lieu of the parade Kirsten asked for Parks and Rec to purchase a coupon/voucher to gift to all the children participating in the Lakers Online school and the children that are still attending the brick and mortar Roosevelt Elementary. Kirsten explained there are a total of 1,618 students. This number includes the 294 students attending Roosevelt, and the balance are attending Lakers online. Lakers Online is a solution for children and their parents that do not want to send them out to a school building due to the Pandemic. Kirsten presented this as an alternative to the parade, to gift the kids with a personal reward that would be sponsored in part by Dunkin Donuts of Keego Harbor in the form of a discount. The 600.00 budget would purchase the gift cards for 1 donut for each of the 1,618 children with the hope that the parents would also make a secondary purchase and support the local business of Keego Harbor. Note: a concern that not all of the children live in the area and may not use the coupon gift.

Motion by; Paul Daelemans and support by Angelica Arens to increase the budget for the Halloween Parade event from 300.00 to no more than 600.00 budget to purchase voucher gifts at a discount from Dunkin Donuts for 1,618 of the Lakers online students and Roosevelt Elementary students to replace the Halloween Parade as it has been cancelled because of COVID-19. Funds for this budget to be drawn from the 2020 Memorial Day Parade Fund.
