(r) Sexually Oriented Businesses.

- a. Intent. It is the intent of this Ordinance to regulate sexually oriented businesses in order to promote the health, safety, morals, and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious location and concentration of sexually oriented businesses within the City. The provisions of this Ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative

C-2 DISTRICT

materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this Ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this Ordinance to condone or legitimize the distribution of obscene material.

The purpose and intent of this section is to regulate the location of, but not to exclude, adult entertainment businesses. This is accomplished by preventing the concentration of such uses in close proximity to each other and to minimize the negative impacts of their operation by separating such uses from residential, office/commercial and other areas of public congregation. This regulation is done with the understanding that the city recognizes that there are some uses which, because of their very nature, have serious objectionable operational characteristics, particularly if several of them are concentrated under circumstances having a deleterious effect upon adjacent residential, office and commercial areas. The city recognizes that the regulation of such uses is necessary to ensure that adverse effects will not contribute to the blighting or downgrading of surrounding residential neighborhoods, nonresidential areas or other places of public congregation.

- b. Studies and Findings. Prior to adopting these regulations, the City reviewed studies prepared on these uses, and reviewed ordinances and regulations prepared by other municipalities, and reviewed applicable federal and state case law. Based on evidence of the adverse effects of adult uses presented in reports and on findings incorporated in court cases, such as *Pap's AM v City of Erie*, 529 US 277 (2000), *Deja Vu of Nashville v Metropolitan Government of Nashville & Davidson County*, 466 G3d 391 (6th Cir 2006), *Sensations, Inc. v City of Grand Rapids*, 2006 WL 2504388 (WD MI 2006), *Van Buren Township v Garter Belt*, 258 Mich App 594; 673 NW2d 111 (2003), *Bronco's Entertainment v Charter Township of Van Buren*, 421 F3d 440 (6th Cir 2005), *Thomas v Chicago Park District*, 122 S Ct 775 (2002), *City of Renton v Playtime Theatres Inc*, 475 US 41 (1986); and reports of secondary effects occurring in and around sexually oriented businesses, including, but not limited to, Phoenix, Arizona – 1979; Minneapolis, Minnesota – 1980; Houston, Texas – 1997; Amarillo, Texas; Garden Grove, California – 1991; Los Angeles, California – 1977; and "An Insider's View," by David Sherman, presented to the Michigan House Committee on Ethics and Constitutional Law, Jan 12, 2000; the City Council finds that sexually oriented businesses as a category of establishments are correlated with harmful secondary effects, and that the foregoing reports are reasonably believed to be relevant to potential problems the City of Keego Harbor is seeking to prevent in the future. Due to the potential for harmful secondary effects, the City Council further determines that it is in the best interests of the City that the decision on any application for a special condition use approval for a sexually oriented business be made by the City Council after review and recommendation by the Planning Commission. The primary control or regulation is for the purpose of preventing a concentration of these uses in any one (1) area (i.e., not more than two (2) such uses within a specified distance of each other which would create such adverse effect(s).

C-2 DISTRICT

- c. Applicability.
